March 27-April 5
Spring Break

SCRIP ORDER DATES

Order Date March 8 **Pick-up Date** March 12

PreK and Kindergarten

- Teddy bears, Smarties, and Dr. Seuss are ingredients to a perfect day of exploring language and getting to know people in our school. A special thank you to Mrs. Lowe, Mrs. Taylor, Mr. Miller, Miss Weaver, Sarah Geiser, Phebe Wesman and Bluester for coming to read to our class on this special day.
- Your child may bring in something that starts with the letters **str** on Wednesday, February 10. We are having a **free sharing day** on Friday, March 12. Please have your child bring in one item of their choice on that day.
- In social studies we are exploring communities. Students are recognizing why rules are necessary and helpful.
- Our Bible verse memory verse is: ***A new command I give you: Love one another. As I have loved you, so you must love one another. (John 13:34)***
- Please check your child's backpack each Monday for the new list of sight words. Thank you.
- Have a great weekend.

Mrs. Bilderback

Grades 1 and 2

- I enjoyed meeting with each of you at conferences. It's always a great time to connect with each other.
- The sharing group for week 2 may bring something to share on Friday.
- We have enjoyed learning about contractions. See if your child can find words around the house or on signs that could be made into a contraction. This is something that we have been doing at school.
- In science, we made landforms with clay. We enjoyed guessing what landforms each group made.
- Have a wonderful weekend with your family.

Miss Weaver

Grades 3 and 4

- We appreciated the time we spent with you and your child during conferences. Again, we are enjoying working with our students and seeing the progress they are making.
- Please see that your child is doing his/her evening homework of reading 15 minutes, practicing math facts and doing spelling word sorts. Each is very important in providing a base for the different subjects.
- In science, the students made volcanos out of clay. They enjoyed working on this project together!
- Students have asked about reading the Bible for their 15 minutes of reading homework. We are encouraging them to do so and will count one book of the Bible read as one chapter book.
- Have a blessed weekend.

Mrs. Miller and Mrs. Hamsher

Theme for March

God teaches us the way of peace.

	Grades 1-2	Grades 3-4
Science	Landforms	Rocks
Social Studies	Community Helpers	Our Country Grows: The Frontier
Language Arts	Contractions	Writers' Workshop
Bible	Jesus Came for Everyone	Jesus Models Discipleship

Memory Verses

First and Second Grade: Luke 19:10
Third and Fourth Grade: Matthew 28:19-20

Upcoming Events

- **First through fourth grade will be participating in a basketball clinic led by high school students (during PE time) on Tuesday, March 9, through Friday, March 12.** Please make sure your child is dressed in clothes appropriate for this activity and that they wear their gym shoes on those days.
- **Wednesday, March 24, is Kindergarten Discovery Day.** Please call Doris Risser in the enrollment office if you would like to register your child or know of someone who would like to visit on that day.
- **Spring break is March 29 through April 5.**
