### PreK-Kindergarten

- We are excited for Valentine's Day. Your child received a class list today. Please have your child use the list for addressing valentines. The children enjoy reading and "delivering" these. The valentine bags will be made at school. Children may begin bringing their valentines during the week of February 7 through 9. Our Valentine Party is on Tuesday, February 14.
- In health we discussed ways to care for our teeth. The children know that drinking milk, eating nutritious food, brushing daily and flossing regularly will provide us with healthy teeth.
- We enjoyed using quiz buzzers to answer questions during elementary chapel. The questions were centered on Bible lessons we explored this year. Our Bible memory verse is, **"And a voice from heaven said, 'This is my Son, whom I love; with him I am well pleased.'" (Matthew 3:17)**
- Enjoy your first weekend of February!

Mrs. Bilderback

- We will continue practicing the same spelling words and Bible verse next week.
- The sharing group for week 2 can bring something to share on Friday.
- Have a wonderful long weekend!

Miss Weaver

### Third and Fourth

- We will decorate bags at school for Valentine's Day. A class list was sent home today so that your child can address valentine cards to each classmate. Our party will be on Valentine's Day, February 14.
- We are enjoying reading the book Treasures of the Snow together for oral reading.
- Your child has written in his/her planner which days they now have strings. Please help them to practice regularly.
- Math bag activities continue to be due on Monday. We are moving our math fact quizzing to Friday.
- Enjoy your weekend!
