

Dear Parents, Extended Family, and Friends:

We're pleased to offer a program that will provide revenue toward your tuition or school fees. Scrip earns money for tuition and school fees while you are shopping!

Scrip is simply a word that means a substitute money. When you purchase Scrip, you're purchasing gift certificates and prepaid cards that are used just like cash. They're the same gift certificates you purchase at the store. Hundreds of stores, restaurants, hotels, gasoline companies, and many other businesses are involved. More local vendors may be added as our program grows.

The way it works is simple. Scrip vendors agree to sell gift cards or certificates to CCS at a discount. Member families like you buy the certificates for full face value, and redeem them for full face value.

70% of the discount from your order is allocated for credit toward your tuition or fees; the school keeps 30% for operating expenses and to purchase local Scrip inventory.

Orders are placed through the school and must be accompanied by payment. The school purchases the gift cards, certificates or vouchers at a discount and you receive the gift cards or certificates at the end of the week the order was placed. Although orders may be placed weekly during the school year, you can choose when, how often and how much you want to participate.

Scrip is just a different way to shop by purchasing gift cards, certificates or vouchers before shopping!

The enrollment packet contains the policy, enrollment forms, vendor list and order form. After enrollment, orders may be placed on Monday mornings by 8:30 a.m. and be ready for pick-up after 8:30 a.m. on Fridays. Scrip may be picked up at the school offices, or delivered home by your child. The program will operate most weeks during the school year, and on a limited basis throughout the summer.

We encourage you to join us in this exciting, unique program. Information and enrollment packets are available in each school office and at orientation meetings. Please don't hesitate to contact me if you have questions, need other information, or desire an information packet.

Sincerely,

Lisa Lepley
Scrip Coordinator

SCRIP WORKS BECAUSE EVERYBODY WINS

- Families earn money to help with tuition or fees. With a little planning for purchases you would make anyway, this program can have a real impact on tuition. Extended family and friends can also make Scrip purchases and designate their credit.
- The retailer gets cash up front and customer loyalty in repeat business.
- Prospective families can begin now to save for their future Central students.
- Central Christian School is able to assist families with tuition and fees. Participants can request their earnings to be credited toward their tuition, the Menno Simons Scholarship Fund, a designated family, or a Partnership Plan church.
