# Information

Middle School Mini-Term will be held from Tuesday, January 4, to Thursday, January 6, 2022. There will be two sessions each day.

Please make your child's Mini-Term selections by completing the online registration form via your FACTS Family portal. Please make selections for both a morning and an afternoon session.

\*Students may not register for Middle School Mini-Term via their Student - FACTS Family Portal.

Log into your FACTS Family Portal:

1. Access the **SCHOOL** tab from the menu on the left hand side of the page.
2. From the SCHOOL tab, access the **WEB FORMS** tab.
3. In the **WEB FORMS** tab, select and complete the 2022 Middle School Mini-Term Course Registration Form for your student(s).

Important Middle School Mini-Term Registration Deadline Dates:

- Online mini-term registration may be completed between Monday, October 25 and Friday, November 5 at 3:00 pm.
- Registration forms are considered late if turned in after 3:00 pm on Friday, November 5.
- Payment collection for mini-term courses will be issued through FACTS incidental billing on December 10.

The selection process for assigning Mini-Term courses to students is processed by the following criteria:

1. Grade level - 8th grade, 7th grade, 6th grade, and then 5th grade.
2. Past Mini-Term selection(s) order - how often has a student received their 1st choice, 2nd choice, and then 3rd choice for Mini-Term as a Middle School student.
3. Availability.
4. On time and completed registrations - student registration is received by the November 5 by 3:00 pm deadline.

If your registration form is submitted late, you will be assigned a Mini-Term class after all other students have been assigned.

If you have any questions, please contact Ebeth Lones, Administrative Assistant for Academics at [ebethl@centralchristianschool.org](mailto:ebethl@centralchristianschool.org).

## Morning Sessions - 8:00 am - 11:00 am

### **Bowling for Snowmen**

January 4-6

**Barb Endsley**

**Cost: \$20**

Students will use their creativity to transform bowling pins into one or more snow people. They will be using paints and a variety of other materials to create their frosty friends, and there will be an option to turn their creations into lamps. Students will also learn how to do slate art projects.

### **CAD (Computer-animated design)**

January 4-6

**Zach Kooker**

**Cost: \$10**

CAD will put imaginations to work and computer design skills to the test. Students will electronically design a project and watch how a CNC transforms their work into a masterpiece....maybe. Brains no brawn required!

### **Cocoa, Canvas and Crafts (5th & 6th)**

January 4-6

**Kaitlyn Bontrager**

**Cost: \$15**

Are you a 5th or 6th grader who likes to create? Join Cocoa, Canvas and Crafts and enjoy a canvas painting day, a mod-podge day, and a yarn and beads day, all while sipping some hot cocoa!

### **French Language & Culture**

January 4-6

**Monica Miller**

**Cost: \$10**

Students will learn conversational and travel related French phrases. They will learn about the many places in the world where French is the official language including many African, European, and North American countries. Each day students will explore French culture through French food, French art, and French music. We will also learn how France impacted the American Revolutionary war and in turn, how the defeat of England by the American Colonies impacted the French Revolution. This mini-term will equip students with the basics of the French language and prepare them for travel to a French speaking country someday.

## Morning Sessions - 8:00 am - 11:00 am

### **Horse Handling and Grooming**

January 4-6

***Willow DiGiacomo***

**Cost: \$25**

Students will travel to horse stables and get their hands dirty! They will learn equestrian terminology, large animal safety, stall cleaning, safe horse handling (walking, leading, trotting, etc.), proper grooming techniques, and non-verbal communication. Whether you already love horses or haven't been around them much and want to learn more, this will be a fun Mini-term for all.

### **Indoor Games**

January 4-6

***Alex Steiner***

**Cost: \$15**

Spend Mini-term playing games! Students will learn new games, play old favorites, and enjoy being active in the great indoors. Be prepared for the unexpected. Come ready to have fun, compete, and end the day extremely tired!

### **International Cooking**

January 4-6

***Jennifer Shue***

**Cost: \$20**

Chicken tikka, falafel, spanakopita, naan and lassi are all words students will become familiar with as they explore the cuisine from several areas around the world. Come ready to learn new skills, smell new spices, and try new flavors in International Cooking. Each day we will eat our food as our lunch so please plan accordingly. Please bring to-go containers to take leftovers home to your family.

### **Maker Space Builds**

January 4-6

***Elaine Miller***

**Cost: \$10**

Do you enjoy building, electronics, engineering, and competition? Then this mini-term is for you! Students will build an Air Racer, powered only by fans, and possibly an Electric Racer. Both racers will be built using parts from the Maker Space cart. This will be a test of patience, creativity, and workmanship. Students can take home the racers they create.

## Morning Sessions - 8:00 am - 11:00 am

### **Makin' Jammies**

January 4-6

**Allison Seymour**

**Cost: \$10**

Love being comfy and showing off your style? Students will learn how to use a sewing machine to make their own pajama/lounge pants. Students will bring material of their choosing for their project(s). Channel your inner designer and bring your willingness to learn a new skill.

### **Movie Making with Adobe Premier**

January 4-6

**Bob Troyer**

**Cost: \$10**

Students will use video segments they have taken on their personal devices to create a movie. They will begin with the basics of importing footage, creating a sequence, adding a title, adjusting audio levels, and exporting videos to Premiere Pro. Once students become familiar with initial processes they will explore additional features of this professional video software.

### **Scrapping & Snacking**

January 4-6

**Shaquez Dickens**

**Cost: \$25**

Love taking pictures but don't have a place to put them? Students will learn how to scrapbook and add some flair to their favorite memories. Materials and scrapbooks will be provided as part of the course fee. Crafting is even more fun when you have a great snack to go with it. Fun snacks will also be provided each day to help keep those creative juices flowing.

## Afternoon Sessions - 12:00 pm - 3:00 pm

### **Around the Table**

January 4-6

***Sherah-Leigh Gerber***

**Cost: \$20**

Through interactive activities, games, and eating, students will learn more about what it takes to assemble a delicious dish. From menu planning, grocery shopping, and mixing up treats, this mini-term will teach you some kitchen basics. Let's cook, bake, and (of course) taste test together!

### **Bowling for Snowmen**

January 4-6

***Barb Endsley***
