#### **SECTION I**

#### **GENERAL INFORMATION**

#### A. School Hours

- 7:30 a.m. Main Office Opens
- 7:40 a.m. Elementary Drop Off Begins
- 7:55 a.m. Warning Bell
- 8:00 a.m. Classes Begin
- 2:45 p.m. Elementary Pick up Begins
- 3:00 p.m. Dismissal
- 3:30 p.m. Main Office Closes

Students not involved in after-school practices or games should leave campus by 3:30. This allows the custodial staff to begin their work. Students with late practices are encouraged to return home or visit the home of a friend until the scheduled practice begins. Students who remain in the school past 3:15 p.m. need to be in the main lobby and may be picked up from there. CCS cannot take responsibility for students in grades 5-12 who stay after 3:30 pm.

#### B. School Closings and Delays

- The school's primary communication for closings and delays will be FACTSFamily Portal email, text and/or voice message announcing the school closings and delays. Your account must be activated and contact information updated.
- School closings and delays will also be broadcast over radio station WQKT (FM 104.5), and on some select television channels like WKYC (Ch 3), WJW (Ch 8), and WEWS (Ch 5).
- In the event of a school closing, all after-school extra-curricular event decisions will be made and communicated by the coaches and directors to student participants. All middle school practices and games will be canceled. All before school student meetings, rehearsals, or events are automatically canceled in the event of a school closing or delay.
- While the school makes decisions related to delays, parents make the final decision about road safety based on weather conditions. Parents are to notify the school when their student will be absent due to weather conditions. This is an excused absence.

#### C. Student Information System

Central Christian utilizes FACTS SIS, an online information reporting website. Assistance will be given to parents on how to use FACTS SIS accounts for themselves and their children. The FACTS Family Portal is the hub of all information for our school. Parents and students will find important information including the school calendar, announcements, a place to make incidental payments, the lunch menu, and many important resource documents.

#### D. Student Records

Student records are to be used only for the welfare of an individual student. Other than directory information, access to all other student records is protected by FERPA and Ohio law.

The school complies with immunization requirements of the state of Ohio under the Minimum Standards for Elementary and Secondary Schools Health Services. The state law requires pupils to be adequately immunized against tetanus, whooping cough, diphtheria, polio, measles, and rubella. The state permits an immunization exemption, which can be secured in the Main Office. Each student enrolling in school will have his/her health record checked and will be required maintain their immunization record up to date. A report is sent to the state by October of each school year. Any families who do not comply with immunization requirements will be required to sign and provide an exemption form for the Main Office.

#### **E.** Custody Statement

If there are custody issues involved with your child, it is the parents' responsibility to provide the school with a duly executed and notarized copy of a power of attorney or caretaker authorization affidavit via Facts Family Portal. No student will be released to a person other than a custodial parent or guardian without permission signed by the custodial parent or guardian.

#### F. Administering Medications

School personnel may administer prescription medication if the following are in place:

- A Prescription Medication Form is signed by a parent and the prescribing physician for each prescribed medication, on file in the main office.
- A Non-Prescription Medication Form is signed by a parent for over-the-counter medication, on file in the main office.
- The medication is in its original container and brought to the school by a parent.
- No medication should be stored in the locker. It will be kept by the administrative assistant.
- Students who need inhalers at school may choose to keep them in their lockers, but the school nurse needs a medication form.
- No student is permitted to give another student any kind of medication, including aspirin, NSAIDS, Tylenol, cold and cough medicine.

The school will maintain a log of each dose administered and inform the parent if the child does not take the medication as directed. The school will return or dispose of any unused medication left at the school at the end of the school year.

#### **G.** Emergency Care

- Any significant medical emergency will be handled by Kidron Fire Department paramedics.
- A representative of the school will give a copy of the Emergency Medical Authorization form to the paramedics.
- If a student needs to be transported to the hospital and a parent is not present, a school employee will accompany the student.
- Parents will be notified of an emergency as soon as possible.
- Most school personnel are trained in basic CPR.

#### H. Emergency Medical Authorization Forms

The school is required to have Emergency Medical forms on file for each student. The form includes a phone number and the names of two persons who can be called in case of an emergency. Any major medical changes or health risks, such as allergies, concussions, injuries, etc. should be updated in FACTS Family Portal on the Family Demographic Web Form and reported to the office throughout the year.

#### I. First Aid and Sickness Treatment

The school has a Health and Hygiene Coordinator for students who become ill or are injured at school. If students cannot attend class due to illness, they are to return home. The parent will be called to pick up the student or to notify them that the student is driving home. The student may stay in the sick room until the parent arrives.

Small wounds, scratches and abrasions obtained during school hours may be treated by the teacher, principal or administrative assistant. No medication will be administered for injuries. Students should be "fever free" for 24 hours before returning to school.

If a student is found with nits or lice, parents will be notified and asked to pick up the student. The student is permitted to return to school after a proper treatment is given and the hair is nit or lice free.

#### J. Counseling

Counseling services are provided for students who are self referred or are referred by a teacher or the Principal. In partnership with Spring Haven, a licensed counselor is available to students once a week during the school day. There are also a variety of social and support services available through the school and local agencies and organizations within the community. Availability of services is communicated to employees, students and stakeholders. Students may voluntarily meet with the counselor for up to 3 sessions without parental consent. The Enrollment and Student Services Director is also a licensed professional clinical counselor, available to our students.

#### K. School Safety

Central Christian School is located in a quiet rural area with an extremely low incidence of violence. Statistically, the highest risk for school violence is from a disgruntled student, former student, or parent. Our school works proactively to keep students safe.

#### **Proactive Safety Plan**

- 1. Students receive individualized attention through Heart of Central. Every Middle School and High School student connects intentionally with an adult daily in a non-academic group setting.
- 2. Teachers and staff greet students at the door or stand in the hallways to interact with students, letting students know they are valued.
- 3. In all teachers meetings faculty give attention to student concerns as they notice who may be struggling or someone who may feel excluded.
- 4. CCS uses restorative discipline so that students feel heard and relationships are restored
- 5. Elementary students learn how to use the "Peace Mat" a process for working through peer conflict. This training is practiced throughout the year. The elementary also uses a buddy bench to help with inclusion of everyone in play.
- 6. Central's Enrollment and Student Services Director, a Licensed Professional Clinical Counselor, works with students and their emotional or relational challenges. Additionally, a school psychologist meets with referred students on a weekly basis.
- 7. CCS maintains a close working relationship with open communication among community, families, faculty and staff as the school continues to be vigilant for any concerns.

#### **Standard Safety Precautions:**

Central Christian School carefully follows strict standard safety protocols with all exterior doors locked and checked during the school day.

- 1. CCS' security plans have been approved and filed with the Ohio Department of Education and with the Wayne County Sheriff.
- 2. CCS conducts security school safety and rapid evacuation drills scheduled on a regular basis in accordance with the regulations of the State of Ohio.
- 3. Central has the support of the Wayne County Sheriff's Department and has ensured that they are familiar with our building. They provide feedback on our safety drills as Central students and staff practice for different scenarios.
- 4. PLEASE BE ADVISED: All persons are duly informed that their behavior and movement may be monitored on school property by security cameras for purposes of safety of person, personal property, and school property.

#### **Emergency Procedures**

CCS complies with all safety requirements and conducts emergency management drills in accordance with state laws.. Fire, tornado, school safety, and evacuation drills are conducted regularly with age-appropriate considerations given across all school levels.

#### L. Transportation

The school provides transportation for students to and from co-curricular and extra curricular activities. It is expected that all students will be courteous and respectful to drivers and adult chaperones.

#### M. Weapons on School Property

Weapons are defined as anything that is used to inflict harm to oneself or another. Possession or use of weapons is prohibited on school property and will be dealt with in an appropriate manner.

#### N. Wellness Policy

Central Christian School, in compliance with the state of Ohio, adheres to a wellness policy. This policy ensures a school environment that promotes and protects student health, well-being, and ability to learn by supporting healthy eating and physical activity within the context of our Christian commitment. The policy can be found on the school website and on FACTS SIS.

#### O. Grievance Policy

#### **Grievance Procedure**

**Rationale:** Central Christian School is committed to helpful communication during the process of resolving concerns, complaints or disputes within the school community. Prompt effective resolution of grievances in a Christ-like manner is central to this commitment. Grievances will be treated with seriousness and resolved in a timely and appropriate manner. The school will provide processes to resolve grievances that are fair and just. Decisions will be made with impartiality and due care and at all times confidentiality will be respected.

Central Christian School is composed of many people and from time to time conflicts may occur. Practically stated, when a conflict occurs, both parties should first attempt to use a problem-solving process rather than sharing concerns with others. This is the application of Matthew 18:15-17.

**Scope:** These guidelines are to be followed whenever there is a dispute or grievance between two parties connected in a direct way to Central Christian School. This includes students, parents, staff, volunteers, administration and board. It is understood that if any disputes arise which are not covered by this policy, the Superintendent will decide what procedures to follow based on those procedures established by this policy.

**Definition:** A grievance is a formal objection or complaint made on the basis of something believed to be wrong, unfair, misleading, unlawful, or of poor quality.

**Goal:** The aim of a grievance procedure is to produce a solution. Not all resolutions will satisfy those concerned, but the grievance procedure will ensure that the concern is addressed and that a clear response is provided at each stage of the process. The procedure involves both informal and formal components.

#### **General Guidelines:**

- If the complaint is a matter of concern that involves a staff member, first speak directly to that staff member.
- If the complaint or matter of concern is about school policies or decisions, first speak directly to the member of staff responsible for the implementation of the policy. Seek clarification from the principal or superintendent if you are unsure of the person to whom you should address your concern or complaint.
- Decisions by the board are final. No further appeal will be granted.

#### **Grievance Resolution Process**

#### Students/Parents to Teachers/Coaches:

- 1. All classroom concerns must first be presented to a teacher by the parents, or if the student is mature enough, by the student him/herself. A respectful demeanor is required at all times.
- 2. If the problem is not resolved, the parents or student may bring the concern to the appropriate principal. Complaints at this level and above are documented by the principal to assist the school in identifying and rectifying problems that are recurring or to identify systemic issues that require attention.
- 3. If the problem is not resolved to the students/parents satisfaction, the parents should appeal the decision to the Superintendent in writing. The Superintendent will speak with parties involved, investigate as appropriate and make a final determination to resolve the matter, observing principles of procedural fairness and timeliness. The final determination, including reasons for the decision will be communicated in writing.
- 4. If the resolution is still unsatisfactory, they may lodge a written appeal to the Central Christian Board of Trustees within two weeks of the Superintendent's determination requesting a review of the school's determination.

#### Parents/Volunteer group members/Pastors/Donors to Administrator:

- 1. If parents, volunteer group members, pastors, or donors have a grievance or dispute about the general operation of the school (apart from the operation of the classrooms), they should bring their concerns to the appropriate principal or person responsible for that department.
- 2. If the problem is not resolved, they should present their concerns in writing to the Superintendent. Complaints at this level and above are documented by the Superintendent to assist the school in identifying and rectifying problems that are recurring or to identify systemic issues that require attention. The Superintendent will speak with parties involved, investigate as appropriate and make a final determination to resolve the matter, observing principles of procedural fairness and timeliness. The final determination, including reasons for the decision will be communicated in writing.
- 3. If there is no satisfactory resolution, they may lodge a written appeal to the Central Christian Board of Trustees within two weeks of the Superintendent's determination requesting a review of the school's determination.
- 4. This procedure applies to board members who are acting in their capacity as parents, volunteer group members, pastors, or donors and not as representatives of the board.

#### P. Book Bags, Athletic Bags, and Instruments

Due to state fire codes, book bags are not permitted on the floor in hallways, lobbies, gyms, cafeteria or classrooms. Book bags, backpacks, athletic bags and other gear should be placed in lockers or in available hallways cubbies. Music instruments will be stored in the designated areas in the orchestra room. Items found on the floor will be placed in Lost and Found.

#### Q. Lunch Periods

- All students are expected to eat in the cafeteria for the entire lunch period.
- Students may either purchase a school lunch or bring a packed lunch.
- School lunches should be ordered in advance via FACTS Family Portal. The lunch menu is also listed in the FACTS Family Portal.
- Lunches procured in the cafeteria will be invoiced weekly via incidental billing in FACTS.
- Students are not permitted to leave school grounds or sit in cars during lunch period.
- Parents may join students for lunch after signing in at the Main Office.

#### R. Lockers

- All Middle School and High School students are assigned a locker
- Lockers are considered school property and may be subject to search at any time deemed necessary by Administration.
- Lockers do not contain built-in combination locks
- Students are given the opportunity to rent a combination lock from the school
- Students may NOT put on personal locks, as lockers are considered school property
- Students should contact the Operations Manager or Maintenance Manager if there is a problem with the locker or the lock.
- Lockers may be decorated inside but may not contain objectionable pictures.
- No decorations or stickers may be displayed on the outside of lockers except those created by school or parent groups for school events.
- Parents should request permission prior to decorating student lockers
- Lockers will be inspected at the end of the year after students have cleaned them. Students will be responsible for any damages incurred.

#### S. School Pictures

- School pictures are taken of each student at the beginning of the school year.
- Parents will receive school picture information about ordering and purchasing.
- The individual pictures taken will be used in the annual school yearbook, student information system, and identification for safety protocol.

#### T. Chapel

Chapel is a daily scheduled gathering of our school community. Students are expected to be seated in their assigned seats when the bell sounds at the start of the period. Students are expected to maintain an atmosphere of respect and courtesy. No food or drink is permitted in the PAC.

#### U. Community Service Day

Students in grades 5-12 are expected to participate in the school-wide fundraiser called Community Service Day. Students ask family, friends and acquaintances to sponsor them for a day of service for a family service project (grades 5-7) or at a community site (grades 8-12). Students work for community organizations doing tasks such as raking leaves, washing windows and cleaning. CSD provides an opportunity for students to serve others and for community organizations to receive a day of free labor. Funds raised are used to supplement the cost of education for all students.

#### V. Heart of Central

Students in grades Kindergarten -12 participate in Heart of Central, a daily non-academic group experience. The purpose of Heart of Central is to intentionally build a school community through relationships with peers and teachers.

#### W. School Day Out

The purpose of School Day Out is to gather students, faculty and staff for a planned worship time, organized games and social interaction. This is a required day of school. Times and locations for School Day Out will be communicated early in the school year. This is an opportunity to learn to know one another and enjoy a day in the great outdoor classroom.

#### X. Senior Service Learning Trip and Senior Trip

CCS seniors participate in two trips to Pennsylvania during their 12th grade year. The Senior Service Learning Trip is a three-day event in the fall which allows students to interact with classmates as they serve others. Senior Trip occurs the last week of school and is a time of closure and celebration. The trips are a part of the CCS curriculum and all Seniors are expected to attend both events.

#### **SECTION II**

#### **ATTENDANCE**

#### A. Statement on the Importance of School Attendance

The school firmly believes that consistent school attendance is foundational to a student's academic success and personal growth. Regular attendance not only ensures that students receive comprehensive instruction but also fosters a sense of responsibility, discipline, and community. Our curriculum is designed to build upon previous lessons, and frequent absences can disrupt this progression, leading to gaps in knowledge and understanding. Moreover, active participation in the classroom enriches the learning experience through collaboration and interaction with peers and teachers.

At CCS, we are committed to providing a supportive and engaging educational environment, and we urge parents and students to prioritize attendance to fully benefit from the opportunities we offer. We understand that occasional absences may be unavoidable, but we encourage families to communicate with us proactively to minimize their impact. Together, we can ensure that every student at CCS achieves their highest potential through regular and committed attendance.

#### **B.** Reporting Attendance

Parents are expected to notify the school of student absences. Please notify the Main Office using the "CCS Student Absentee Reporting Form" in FACTS Family Portal, Web Forms, no later than 8:15 a.m. to report an absence. An absence is considered unexcused until notification is received.

- A student needs a permission note or call to the school from their parents to leave school any time during the day. This communication should be given to the Main Office by 8:00 a.m.
- The student will sign out when they leave and sign in when they return at the Main Office, during school hours.
- Ohio state regulations consider a student truant if they incur unexcused absences of 30 or more consecutive hours (5 days), 42 or more hours in a month (7 days), 72 or more hours in a school year (12 days). Students who miss 10 or more hours of a class (excused or unexcused) in a semester, may not receive semester credit for that course.

#### C. Excused Absences

Absences are excused for the following reasons:

- Appointments Please schedule medical, dental and other appointments outside of school time. If necessary, such appointments will be excused when a parental notification before the appointment. Parents may notify the main office and indicate student appointments for students via the *CCS Student Absentee Reporting Form* in FACTS Family Portal, Web Forms.
- College visits Juniors are granted two days a year and seniors are granted three days a year for college visits. Please notify the main office and indicate dates for a college visit via the CCS Student Absentee Reporting Form in FACTS Family Portal, Web Forms.
- Death or serious illness in the family
- Emergency or special reasons as arranged with the principal
- Family trip Students may be excused for a family trip. The trip is to be with parents, a church youth group or extended family members. Parents should notify the school at a minimum of one week in advance. CCS does not recommend multiple family trips during the school year.
- Hunting One day per year will be excused for a student to go hunting with prior parental notification. Parents may notify the main office for a student to go hunting via the CCS Student Absentee Reporting Form in FACTS Family Portal, Web Forms.
- Personal illness
- Weather conditions

#### D. Make-Up Work for Absences

It is the responsibility of the student to request their assignments before, during, or immediately upon return when absent. Assignments are also posted daily on Google Classroom.

The minimum number of days to be given for make-up work is to be equal to the number of school days the student was excused absent. A teacher may allow more than this if it is deemed necessary.

Students and teachers should make specific plans for all make-up work following absences in order to avoid misunderstandings or misinterpretations of the section.

\*Unexcused absences may result in no credit for assignments, homework, quizzes, or tests.

#### E. Attendance for Participation in After School Activities

A student must be on campus no later than 12:00 p.m. to be eligible to participate in an after-school or evening extra-curricular activity unless the student is participating in a sanctioned off-campus activity. This applies but is not limited to all student activities including athletics, theater, school socials, and attendance at athletic events or theater performances.

#### F. Rationale for Addressing Issues of Punctuality and Tardiness

Being on time to school and classes is important for several reasons. Punctuality ensures that students do not miss important instructions, discussions, and activities that form the foundation of their learning. It promotes discipline, responsibility, and respect for both the teachers and fellow students, creating a conducive learning environment. Regular tardiness disrupts the class and hinders the academic progress of both the latecomer, their teacher and their peers.

Holding students accountable through restorative practices, rather than punitive measures, is beneficial because it focuses on understanding and addressing the underlying causes of tardiness. Restorative practices encourage students to take responsibility for their actions, understand the impact of their lateness on others, and find constructive ways to make amends. This approach helps build a supportive school community, improves student-teacher relationships, and fosters a sense of belonging and engagement in students.

#### G. Late Arrival to School (Tardy)

Tardies to school will result in being asked to complete a form explaining why they were tardy to school. The purpose of the assignment is to allow the student to reflect on why they were late and what they can do to change their behavior.

#### H. Late Arrival to Class

A student who arrives in the classroom after the bell rings is either late (excused) or tardy (unexcused). A student who is late to class for a valid reason should have a pass from the appropriate teacher.

#### **SECTION III**

**ACADEMIC INFORMATION** 

#### A. Credit for Graduation

Students in grades 9-12 will plan their course of study so they meet the graduation credit requirements of Central Christian School and the Ohio State Board of Education. Twenty-three (23) units are required for graduation, including Mini-Term and Bible credits. Please see the Curriculum Guide on the FACTS Family Portal for further details.

#### **B.** Grading Scales

The following is a numerical breakdown of our grading system:

Letter Grade	Percentage	GPA	Letter Grade	Percentage	GPA
A+	99-100 %	4.0	С	76-80 %	2.0
А	94-98 %	4.0	C-	74-75 %	1.7
A-	92-93 %	3.7	D+	72-73 %	1.3
B+	90-91 %	3.3	D	67-71 %	1.0
В	85-89 %	3.0	D-	65-66 %	0.7
B-	83-84 %	2.7	F	0-64 %	0.0
C+	81-82 %	2.3	I	Incomplete	0.0

Middle School Exploratory Grading uses the following scale:

O= Outstanding

S = Satisfactory

N = Needs Improvement

These classes include Art, Bible, Careers, Coding, German, Heath, Physical Education, Spanish, STEAM, and Study Skills and Digital Citizenship

Special grading scales may be used for students needing accommodation and, as needed, for first year international students. Please refer to the international student handbook for specific information.

#### C. Honor Roll

At the end of each nine-week grading period, as recorded on Report Cards, students in grades 5-12 will be recognized as honor roll students. The honor roll includes three grade quarter GPA classifications: 4.0 Honor Roll (4.0), Honor Roll (3.50-3.99), and Merit Roll (3.00-3.49).

#### D. Incomplete Grades

An incomplete grade is given at the end of a quarter only when there are justifiable reasons for a student to have incomplete work. An incomplete automatically becomes an F on any incomplete assignment if the work is not made up within the time designated by the teacher and/or Administrative Academic Team. If the incomplete work is not made up, the quarter grade will be calculated with existing coursework grades.

#### E. Dropping and Adding Classes

Students should finalize their schedule before the start of each semester. A student may drop or add a class during the first three days of the semester.

#### F. Homework on Wednesdays

Wednesday night is the designated youth group meeting night for many churches. CCS encourages students to participate in their church and youth group activities.

#### Homework on Wednesdays (continued)

In order to partner with families and churches, the following guidelines will be followed for grades 5 - 12:

- New homework assignments will not be given in class on Wednesday. All attempts will be made by the teacher to assign work several days ahead if it will be collected on Thursday. Time may be scheduled in class on Wednesday to allow students to complete assignments due on Thursday.
- Tests or guizzes will not be given on Thursday whenever possible.
- Projects will not be collected on Thursday whenever possible.

#### G. End of Semester Comprehensive Exams

Teachers (grades 5-12) will give a final comprehensive exam in all academic courses at the end of each semester. The purpose of a comprehensive exam is to help students retain information learned over a period of time and to validate that students have met learning expectations. This exam will count towards 10-20% of the final semester grade for the course. Students are expected to take Semester Exams during the scheduled exam time. Students may request to take a semester exam early or late for medical, family, or personal reasons with permission from the Principal. Students will be billed \$25.00 for each exam taken out of schedule.

#### H. Guidance Office Services

College and career services are available to students as they process their long term plans. Academically, students can request or be referred for tutoring services. These services are offered during study halls and resource classes, and before or after school.

#### I. Equity of Learning

Every child has the opportunity to learn and has access to the general curriculum. The school's written policies, procedures and organizational conditions ensure equity of learning opportunities. Teachers understand the policies and procedures and implement the system for students.

#### J. Special Education Services

Upon enrollment at CCS, parents or guardians of students with disabilities are informed that they have the option to waive their right to a free appropriate public education (FAPE) under the Individuals with Disabilities Education Act (IDEA). This decision is made voluntarily and knowingly by the parents or guardians, acknowledging that CCS may not have the resources or capacity to fully meet the needs of students with severe cognitive disabilities, behavioral, emotional, and social difficulties, communication needs, sensory or physical impairments, or complex medical needs.

Despite these limitations, our school is committed to providing a supportive and inclusive educational environment to the best of our abilities. Our policy ensures that each student with a disability receives a personalized education plan developed through a collaborative process involving educators, parents or guardians, and relevant service providers. The educational plan is designed to address the unique needs of the student, as identified through comprehensive evaluations conducted by qualified professionals.

#### K. Advanced Placement (AP) Courses

Advanced Placement (AP) is a nationally recognized program that puts forth advanced curriculum. Central Christian School offers six AP Courses: AP Biology, AP Calculus, AP Government, AP Music Theory, AP Statistics, and AP Physics. Students may take an AP exam in any subject area.

#### L. College Credit Plus (CCP)

College Credit Plus courses offer students the opportunity to earn both high school and college credit as a high school student. Through the CCP program, students have the opportunity to take various CCP courses taught on campus, at an Ohio college or university, or online from an Ohio college or university.

Central Christian School has a partnership with Malone University and Cedarville University to provide seven CCP courses on campus taught by Central Christian School teachers and college professors. The on-campus CCP courses include: AP Biology, Pre-Calculus, AP Calculus, AP Statistics, Introduction to Sociology, Fundamentals of Speech, and English Composition.

Please see the Curriculum Guide on the FACTS Family Portal for further details.

#### M. Honors Credit

Central Christian students in grades 7-12 may take certain courses for honors credit. Middle School students may take core subject area courses in English, Math, Science, and Social Studies for honors. High School students may take core subject area courses and advanced elective courses for honors. Honors courses will be recorded and recognized on all student course records and official high school student transcripts. To designate a course as honors, students must complete and submit an Honors Contract application. Students who are interested in taking a course for honors credit should contact the High School principal for application details.

#### N. Independent Study (IS)

Independent Study (IS) allows students in Grades 9-12 to study course information not offered within the existing school curriculum. IS courses often involve less supervision than a regular classroom setting. Students who choose an IS must be self-motivated and able to meet all stated outcomes with minimal supervision. Successful completion of an IS course generally results in credit towards graduation. The number of credits assigned to an IS course is determined by the Principal based on the nature and scope of the planned work. A student proposes the topic of study and outlines a plan to acquire and demonstrate the knowledge learned. If the course is related to a CCS core or elective subject area, a CCS teacher will be assigned to act as an advisor, and a fee of \$100.00 is charged as compensation for the teachers' outside time and effort. Any student interested in pursuing an IS course should see the Principal to complete the appropriate IS course forms for approval.

#### O. Academic Probation

The purpose of academic probation is to be an early warning signal that a student is not making satisfactory progress towards graduation. Quarter grades are used to determine academic probation. Every effort will be made to help a student succeed academically.

Academic probation may occur if:

- A student fails one or more courses during a grade quarter.
- Student is not on track to meet graduation requirements

Academic probation may results in:

- Conference with student, parents, and administration to develop a plan for academic success.
- Academic interventions
- Placement on weekly co-curricular ineligibility.

New students may be enrolled at Central Christian on a probationary status if:

- The student enters with a cumulative or current GPA lower than 2.0.
- The student has failed one or more classes during the previous school year

#### P. Academic Eligibility for Athletics, Co-curriculars and Extra-Curriculars

- A student receiving one failing quarter mark will be placed on academic probation for the following nine weeks.
- A student who receives two or more failing quarter marks will be considered ineligible for the following nine weeks.
- The student will be ineligible to participate in games, performances, and/or meetings, and will be placed on the weekly eligibility list.

Students with academic concerns may be placed on a weekly ineligibility list and will have one week to make satisfactory progress, monitored by the Principal and the Enrollment and Student Services Director. Parents will be called and a meeting with the teacher and principal will be arranged to create a plan for student improvement as needed.

Note: OHSAA Bylaws for High School Student-Athlete Academic Eligibility in addition to CCS Policy.

- Grades 9-12: To be eligible, a student-athlete must receive passing grades in a minimum of five one-credit courses or the equivalent, in the preceding grading period.
- For eligibility, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken in the preceding grading period.

#### **SECTION IV**

#### ATHLETICS AND STUDENT ACTIVITIES

#### A. Athletic Activities

The athletic program offers many choices for involvement. Competition with other schools provides a worthwhile and meaningful experience and gives opportunity for individual and group fellowship. Central Christian School is a member of the Ohio High School Athletic Association (OHSAA). All Central students are admitted free to home athletic events (with the exception of home OHSAA tournament games).

Central Christian School spectators (students and adults) are asked to follow these guidelines:

- Students and spectators are to be in the gymnasium or at the playing field while games are in progress.
- Loitering on the school premises before, during, or after a game is not permitted.
- No objects may be thrown in the gymnasium or onto the playing fields.
- Students are asked to cheer for our team and be positive toward our opponents.
- Only authorized school personnel are allowed in the locker rooms.
- Staff and students are to stand respectfully during any prayers or playing of the national anthem at away games.

#### B. Campus Ministries(CM)

Campus Ministries assists with the spiritual leadership of the school. CM members help in planning chapels and special emphasis days, and coordinate other activities. Suggestions for chapel speakers and other concerns or ideas may be given to CM members or to the CM coordinators.

#### C. Class Leadership Teams (CLT)

Class Leadership Teams are an important part of our school and school community. It provides an opportunity for students to provide leadership within their grade level class. Class Leadership Teams are mindful, attentive and aspiring to servant leadership to promote Kingdom of Jesus culture in the school as well as care-takers of positive class dynamics. Class Leadership Teams are selected by students, teachers and administrators.

#### **Class Leadership Teams (CLT) (continued)**

Class Leadership Team responsibilities typically include:

- Meet with Heart of Central teachers regularly to provide spiritual, social, and emotional leadership and support for the class
- Plan class socials throughout the school year (a least one per semester)
- Provide encouragement and leadership to the class during Community Service Day and Auction
- Provide leadership during Heart of Central multi-age activity planning and events

#### D. Junior-Senior Banquet

The Junior-Senior Banquet is planned and presented by the Junior class to honor the Senior class. This event is for Juniors and Seniors, their guests, and faculty and staff. The event is a formal occasion to celebrate the end of the year and our Seniors' school career together.

An after-banquet event, planned and coordinated by parents, is held after the formal banquet.

Parents will receive a letter prior to the banquet from the Junior class Heart of Central leaders and banquet coordinator explaining the expectations and events of the evening.

#### E. National Honor Society (NHS)

Membership in the National Honor Society (NHS) is based on a student's fulfillment of four requirements. The four basic requirements for membership are scholarship, leadership, service, and character. Students are eligible to apply for NHS membership if they demonstrate academic achievement through a cumulative grade point average of 3.5. National Honor Society standards require that students participate in volunteer service for their school and community at large. Eligible sophomore and junior students will be invited to apply for NHS membership, applications are reviewed and approved by the NHS Faculty Council. NHS induction occurs each spring for new inductees.

#### F. Student Council (STUCO)

STUCO is an important part of our school and community. It also provides an opportunity for student leadership across the grade levels for the Middle School and High school. STUCO responsibilities typically include planning School Day Out, organizing High School socials, planning Operation Connection (OPCO) events, helping with suckergrams, and making suggestions for school-wide activities or programs while always working to improve Central Christian School. Students in grades 5-12 elect STUCO representatives for each school year.

#### **SECTION V**

#### STUDENT EXPECTATIONS

#### A. Integrity in Academic Work

The school expects students to do their academic work with integrity. All assignments should be the student's own original work, created for the respective assignment or class. We expect students to take responsibility for their own learning and want them to feel the pride that comes with academic achievement. When a student submits another's work as their own or cheats on assignments or tests, the value of education is diminished and academic progress and character development are compromised.

#### **B.** Academic Dishonesty

"Academic dishonesty" is defined as any form of cheating, deceit, or plagiarism in an individual's academic work. The following are a few examples:

#### **Academic Dishonesty (continued)**

- Plagiarizing papers by using incorrectly cited/un-cited material from other sources.
- Submitting someone else's paper as your own work.
- Turning in a paper that has been purchased or obtained from the internet.
- Collaborating with other students on assignments when it is not allowed.
- Submitting the same paper in more than one course (or from another year of study) without the knowledge and prior approval of the teachers involved.
- Copying from someone else's work or allowing someone to copy your work.
- Cheating on quizzes, tests, or exams.
- Not following the guidelines specified by the instructor for a "take home" test or exam.
- Unauthorized use during an examination of any electronic device such as cell phone, tablet, computer or other technologies to retrieve or send information, or photograph exam or test information for future use by other students.

#### C. Use of Artificial Intelligence (AI)

Any use of AI must be transparent, with proper attribution and approval. Our goal is to foster personal growth and genuine learning through each student's unique effort and creativity.

Al tools may be used for brainstorming or preliminary research, but using Al to generate answers or complete assignments without proper citation or submitting Al-generated content as one's own is considered plagiarism. Violations of this policy will be treated as academic dishonesty.

In general, students should understand and abide by the following principles for academic work:

- Al tools may not be used for cheating, plagiarism, or other unethical behavior.
- Al-generated content should not be considered a substitute for student effort or original work. Students are required to put in their own effort to understand the material and produce unique content.
- It is the responsibility of students to verify the accuracy of information received from any AI sources (including search engines) used.
- Students must clearly credit/acknowledge the use of known AI technology in their work when they have actively engaged with it, the use of the particular AI model, as well as the prompts used.
- Al tools may not be used to impersonate individuals, organizations, and/or any CCS faculty, staff or the institution in a misleading or malicious manner, or to generate content that is unlawful, harmful, or offensive.
- Use of AI tools and data/content created using such tools must comply with all other school policies (ie. Bullying Policy and the Acceptable Use Policy and Student Technology Agreement)
- Students may not submit or disseminate CCS materials using AI tools. Such materials include (but are not limited to): past papers, textbooks, worksheets, curriculum materials, and other school materials
- Students must maintain confidentiality in their interactions with AI tools and may not disclose any confidential or personal information about themselves or any other people to the AI model as the information may be in the public domain and accessible to others.
- Students should be aware that some AI tools run in the background of certain software and programs and students may not even know they are there.
- Students should also be mindful of the rights of any third parties and avoid infringing those rights, for example by using trademarks or other content. It is also recommended that students trace the sources that the AI tool itself used to generate responses where possible.
- Students who violate this policy will be treated as academic dishonesty.

#### D. Plagiarism

Plagiarism, including "cut and paste" plagiarism from the internet, unapproved or unattributed Al generated content, is academic fraud or theft. Plagiarism is academic dishonesty and will not be tolerated.

#### E. Response to Academic Dishonesty

Academic dishonesty breaks the trust relationship between teachers and students. Restorative Discipline, including meetings with the individual student and teachers, will be used to restore the trust and to make things as right as possible.

#### F. Dress Code

Central Christian School desires that student attire exhibits a dignified and appropriate appearance for our school context, creating a positive educational atmosphere. The dress of a student reflects the level of respect for oneself, respect for one's peers, and respect for one's school. CCS is a community of diverse preferences and opinions regarding dress code. The school asks all families to submit to the intent to foster a harmonious, cooperative community.

#### **Dress Code Questions**

- If a student or parent has a question about specific items of clothing, please reference the "Dress Code Do's and Don'ts" found in the Resource Documents in FACTS Family Portal. After reviewing the document, if you have further questions, the Superintendent or Principal may be called.
- Faculty and staff will determine the acceptability of any particular item of clothing for students throughout the school day and will personally speak to the student or refer the student to the Superintendent or Principal.

When the Dress Code is not followed it will be resolved in one or more of the following:

- Minor infractions will be addressed privately and students will be asked not to wear particular attire in the future (Parents will be notified if a teacher or administrator
- Major infractions will result in a student being asked to change. If the student is unable to change, he/she may call home and ask a parent to bring school dress code appropriate clothing.
- If infractions persist, further action will be taken by the Principal or Superintendent to meet with parents and the student to create a plan for dress code compliance.

#### **Dress Code Guidelines**

The following specific guidelines should be followed unless changes for special events are approved and announced to the student body.

- Students are to refrain from wearing clothing that is ripped or torn and exposes skin above the knee (rips or tears should not begin or start above the knee - refer to the *Do's and Don'ts* document). No large or gaping rips or holes are permitted.

- Distracting piercings and visible tattoos are not permitted. Male students may not wear earrings at school or school functions.

#### **Dress Code Guidelines (continued)**

Pictures/messages/symbols directly related to/referring to political candidates or politicians may not be worn.

Please reference the *Central Christian School Dress Expectations Do's and Don'ts* document in <u>Appendix A</u> for clarification with pictures for the above Dress Code expectations.

#### G. Field Trips

Students represent the school during off-campus field trips and co-curricular activities. Faculty and staff will set the appropriate guidelines for student behavior, dress expectations and specific field trip protocols for curricular, co-curricular and extra-curricular off-campus activities. These guidelines will be communicated prior to the activity.

#### H. Public Performances

- Students are expected to remain in the venue (PAC, gymnasium or other area of school grounds) for the duration of the performance.
- Loitering on the school premises before, during or after the performance is not permitted.
- All students are expected to go home after school until designated arrival time.
- Students are expected to remain positive and quiet throughout the event, to respect performers and surrounding guests.

- Students will register the make and model of their car with the Main Office during the first week of school or within ten days of earning their driver's license.
- Vehicles on school grounds are subject to search by school personnel if there is a reasonable concern.

#### J. Student and Parent Covenant

#### **Student Covenant**

As a student I commit myself to:

- respect God, others, self and God's creation.

Students and parents promise to do their best to live by the Covenant at all times. If a student or parent fails to follow the Covenant, the school will work with the student and parents in a restorative discipline process to restore trust and to make things as right as possible. If a student and/or parent(s) chooses not to participate in a restorative process, then board discipline policies will apply.

#### K. Student Restorative Discipline

#### **Restorative Practices Framework**

Central Christian School is committed to a restorative framework for discipline that builds positive relationships, encourages accountability, and enables pathways to restore relationships and change behavior. As a school committed to the teachings of Jesus from an Anabaptist faith perspective, we express that "Jesus is the center of our faith, community is the center of our lives, and reconciliation is the center of our work" (Palmer Becker, 2017). Positive relationships, involving students in a caring school community is our first approach to preventing student disciplinary issues. We expect students to follow school expectations as outlined in the CCS Student-Parent Covenant. A restorative discipline approach is used when disciplinary issues arise. Students and families are expected to cooperate fully with the restorative process as part of the school community.

Central Christian School's Restorative Discipline *approach* is centered in the belief that all people are created with the capacity to engage in positive relationships. When our words, attitudes or actions impact others and cause harm to those relationships, it is our individual and collective responsibility to repair and reconcile those relationships by making things right.

Central Christian School uses restorative practices that guide processes that build, nurture, and repair relationships to form a healthy, supportive, just, and welcoming community.

#### **Tiered Restorative Behavior Supports**

At Central Christian School, a tiered approach to restorative discipline enables all students to engage with restorative practices at levels which respects individual and collective needs. Families can contact school administration for more detailed information regarding disciplinary responses. Restorative practices help our school:

- Build relationships to create a caring, Christ-centered community
- Prevent or transform conflict before it escalates
- Engage students, teachers, staff, parents, administration and the school community in repairing harm, restoring relationships, and transforming conflict

Tier 1	Strategies for <i>students</i> to engage in <i>proactive relationship building</i> , <i>conflict prevention</i> , and <i>behavior support</i> and <i>modeling</i> . Minor disciplinary issues at this level are primarily overseen by classroom teachers with redirection or conversation.
Tier 2	Intervention strategies for <i>students</i> , focusing on accountability, conflict resolution, repairing harm, and restoring and maintaining relationships. Disciplinary issues at this level involve additional staff, parents, or administrators.
Tier 3	<b>Intensive interventions</b> for <b>students</b> , focusing on safety, repairing harm, and restoring relationships. Disciplinary issues at this level involve multiple stakeholders, and may result in student suspension or dismissal. A <b>supported re-entry</b> is provided following suspensions.

See <u>Appendix B</u> for tiered restorative behavior supports at each grade level and a behavior response grid for each tiered level.

#### L. Anti-Bullying and Harassment Policy

Central Christian School is committed to provide a safe school environment that encourages spiritual, intellectual, and social growth. As Christians, we are commanded to love one another. (Mark 12:30,31) In our respect for God's command, Central Christian has adopted an Anti-Bullying Policy.

"Harassment, intimidation, bullying or violence" is any intentional written, verbal, graphic, or physical act that a student or group of students does to another student, group of students, and/or faculty or staff member that causes mental, emotional or physical harm to the other student, group of students, and/or faculty or staff member; and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other students. This policy includes all electronically transmitted acts using technology such as the internet, cell phones, or other devices. This policy covers acts which may occur on or off campus.

As part of our anti-bullying policy, Central employees help to prepare students to respond in a positive way to others who do not treat them with respect. We distinguish what is conflict, rude, mean, and what is bullying, using these definitions.

#### **Definition of Bullying**

Conflict	Rude	Mean	Bullying
Occasional	Occasional	Once or Twice	Is REPEATED
Not planned; in the heat of the moment	Spontaneous; unintentional	Intentional	Is planned and done on purpose
All parties are upset	Can cause hurt feelings; upset	Can hurt others deeply	The target of the bullying is upset
All parties want to work things out	Based in thoughtfulness, poor manners or narcissism	Based in anger; impulsive cruelty	The bully is trying to gain control over the target
All parties will accept responsibility	Rude person accepts responsibility	Behavior often regretted;	The bully blames the target
An effort is made by all parties to solve the problem			The target wants to stop the bully's behavior, the bully does not
Can be resolved through mediation	Social skill building could be of benefit	Needs to be addressed/ should NOT be ignored	CANNOT be resolved through mediation

Harassment, intimidation, bullying or violence are serious issues that have no place in our school community. Students are urged to speak with their teachers or school leaders if they feel they are experiencing bullying. Parents are urged to notify the Principal if they have a concern. Teachers and school leaders will take immediate action to work with students to resolve the situation in a way that restores the right relationships as much as possible.

#### M. Illegal Activity

Central Christian School's Covenant states that students will refrain from illegal activity. Law enforcement will be notified as required by law in the case of illegal activity including drugs, alcohol, violence, weapons, or harassment during school hours or outside of school hours.

In all cases a restorative process will be used to address the situation and to restore safety and right relationships.

#### N. Unauthorized Entry and Exit

- Students are not permitted to enter the school building unless it is officially open, or are accompanied by a school employee in a group of at least three.
- Any unauthorized entry, inappropriate use of school keys, or entry via unlocked doors or windows at any time will be cause for disciplinary action.
- For safety reasons, all outside school doors are locked during the school day.
- Students should not permit into the building any unknown person.

#### O. Student Technology Use Guidelines

- Students are expected to use school issued Chromebooks or other school issued computers or electronic devices during the school day for classes and school activities.
- Annually participate in a review of digital citizenship guidelines and the schools appropriate use policy.
- Annually review and sign the Central Christian School Technology Contract.
- Abide by the CCS Student Acceptable Use Policy and Technology Agreement (Appendix C)

#### P. Cell Phones and other Personal Mobile Electronic Devices

To support school environments in which students can fully engage with their classmates, their teachers, and instruction, CCS has determined the use of cell phones by students during school hours should be limited.

The objective of this policy is to strengthen Central Christian School's focus on learning, in alignment with our mission to ignite students' passion for learning, cultivate a strong foundation of knowledge, and foster and build a sense of community within our school and real-time relationships among students. CCS seeks to create a student life culture where in-person interactions, face to face communication, and activities and interests beyond a screen are protected, encouraged and developed.

Research shows that student use of cellphones in schools has negative effects on student performance and mental health. Cell phones distract students from classroom instruction, resulting in smaller learning gains and lower test scores. Increased cell phone use has led to higher levels of depression, anxiety, and other mental health disorders in children.

Students are prohibited from using cell phones at all times. This policy applies to the use of cell phones by students while on school property during school hours.

Students are expected keep their cell phones in a secure place, such as a student's locker, a closed backpack, personal vehicle or at the main office at all times when cell phone use is prohibited between the following hours:

- Middle School: 7:30 a.m. until 3:00 p.m.
- High School: 7:55 am (first bell) until 3:00 pm.

If a student does not adhere to this policy, a teacher or administrator shall take the following progressive restorative disciplinary measures:

- Give the student a verbal warning and require the student to store the student's cell phone in accordance with this policy.
- Securely store the student's cell phone in a teacher- or administrator-controlled drawer for the duration of the class period.
- Place the student's cell phone in the school's main office for the remainder of the school day with an administrator to be picked up by the student's.
- Place the student's cell phone in the school's main office with an administrator to be picked up by the student's parent or guardian.
- Repeated noncompliance of this policy will be resolved by developing a restorative discipline plan with an administrator, the student, and parents to help students to adhere to the policy.
- Continued noncompliance of this policy may result in the loss of this privilege.

To help limit the use of cell phones at school, parents are encouraged to make logistical arrangements related to their child at home. If plans change during the day, parents should call or email the main office, or email their child directly. To help support this policy, please refrain from calling or texting your child during school hours. Students are also welcome to use the main office phone or email on their Chromebooks to communicate with parents during school hours. In the event of an emergency, the school will contact families as soon as possible.

#### **APPENDIX C**

#### CCS STUDENT ACCEPTABLE USE POLICY & TECHNOLOGY AGREEMENT

#### Student Acceptable Use Policy & Technology Agreement

Introduction: Computer and technology access is available to qualifying Central Christian School students, teachers, staff, and administrators. These resources are to be used by members of the school community with respect for the public trust through which they have been provided. Our goal is to promote innovation and educational excellence by using technology tools for research, worldwide resource sharing, communication, and storage of student work.

Students may be assigned several student accounts with passwords granting access to different data. All students are assigned a Central Christian School Google Apps for Education account and that service is hosted on many Google servers off campus. Students must remember that accounts are not private and can be viewed at any time by Central Christian School administrators. In order to ensure the appropriate use of the network, the Central Christian School administrators reserve the right to monitor, access, and disclose files contained, stored, or transmitted using Central Christian School equipment.

In order for Central Christian School to continue to make its computer network and Internet access available, all students must take responsibility for appropriate and lawful use of this access. Students must understand that one student's misuse of the network and Internet access may jeopardize the ability of all students to enjoy such access. While teachers and staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Below is the Acceptable Use and Internet Safety Policy for Central Christian School. Upon reviewing, signing, and returning this Policy each student will be given the opportunity to enjoy internet access at School and is agreeing to follow the Policy. Central Christian School reserves the right to prohibit the use of technology services and the Internet to students that fail to provide signatures of the student and his/her parents or guardians.

Listed below are the provisions of your agreement regarding technology, computer network, and Internet use. If a user violates this Policy, the student's access may be denied or withdrawn and he or she may be subject to additional action.

Issues: With access to computers, technology, and people all over the world also comes the availability of material that will not be considered to be of educational value in the context of the school setting. The Internet may contain material that is objectionable from many points of view. There is, however, a wealth of educational material available. Central Christian Schools using a content filtering system to comply with CIPA (Children's Internet Protection Act) regulations. The filtering is designed to block web sites that educators believe are inappropriate for students. Even though content filtering is automatically maintained and customized on a daily basis, it is impossible on a global network to control access to all materials that are objectionable or inappropriate. The filter will block most of the inappropriate sites, however, no system is perfect. With the constantly changing internet landscape, students may be able to gain access to sites that were previously filtered. The district cannot guarantee that users will not have access to inappropriate or objectionable material.

Responsibilities: Internet access is coordinated through a complex association of government agencies and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end-users who must adhere to strict guidelines. The guidelines set forth in this Acceptable Use Policy are provided so that students are aware of the responsibilities that they are about to acquire. In general, student responsibilities require ethical, efficient, and legal use of the network resources. If a student user violates any of these terms and conditions, his or her network/Internet access may be

terminated and future access could be denied. The signature(s) at the end of this document is (are) legally binding and indicate(s) the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance and agree(s) to abide by these terms.
