

MSN Choir Festival 2025

Students and Host Families,

The host family has been very gracious in opening their home to you while you are attending the 2025 Mennonite School Network (MSN) Choir Festival. In addition to lodging Friday and Saturday nights, they will provide transportation and breakfast on Saturday and Sunday.

In order to express your appreciation, students, we would encourage you to seek opportunities throughout the weekend to thank them for their hospitality. This can be done in part simply by being polite and gracious with your host(s). Several guidelines that will help ensure a pleasant experience are:

1. Conduct yourself with integrity, respect, and courtesy at all times
2. Do not request to use the host family vehicle for personal use
3. Do not invite other students to your host family's home, or ask to visit another host family
4. Plan to attend church and lunch with your host family

Host family information will be shared in the event that parents need to contact host families directly.

Best wishes to you as you participate in the choir festival this year. We trust that you will have a pleasant and rich experience. If you have questions, or in case of emergency, please contact your school's choir director.
