# BOOSTER CLUB NEWS

## CENTRAL CHRISTIAN SCHOOL COMETS

The Central Christian School Athletic Boosters (CCSAB) was formed in 2019 with the purpose of uniting parents, students, faculty, staff, alumni and the CCS community in supporting and encouraging the athletic programs and related activities of the school.

### PRESIDENT'S LETTER

As the 2018-19 school year draws to a close, so too does the inaugural year of the CCS Booster Club. What a year it has been! We were blessed with a fantastic community of support for our athletic programs and for our club's efforts. Thank you and a special thank you goes to the CCS staff, administration, and board for their support!

We are excited as we look ahead, and we have already started working on ways to support our athletes over the summer. Two of our upcoming projects include assisting with reimbursement for NST speed, strength, and agility training as well as replacing the team chairs in gym 1 for volleyball season this fall. And if you haven't had a chance to hear what's been going inside of gym 1, when you do, you will be surprised. Some goals for next year include growing our membership to 100, "Comet Cookout" events at select soccer games this fall and revitalizing a spring chicken BBQ event. It will be fun!

Please mark your calendar for Friday September 20th and plan to join us for our first annual golf outing. Be on the lookout for details and sponsorship opportunities in the coming weeks. Also, be sure to check out our athletics "Wish List" included in this newsletter. If you'd like to help or have questions, please contact a Booster Club board member or Zach Kooker.

Thank you for your continued support. Please have a safe and wonderful summer. See you in the fall!

Andy Badertscher
